

Revision Advice for Media Studies 2025

Miss Fisher's Videos

- Miss Fisher is a Media teacher who has made videos on ALL set texts and put them on Youtube. These are really useful for recapping set texts, and some of the obvious areas for analysis and to explain key terminology.

Eduqas Blended Learning

- These are like little courses which recap each topic, and have a series of questions and tasks for you to test your knowledge and understanding.

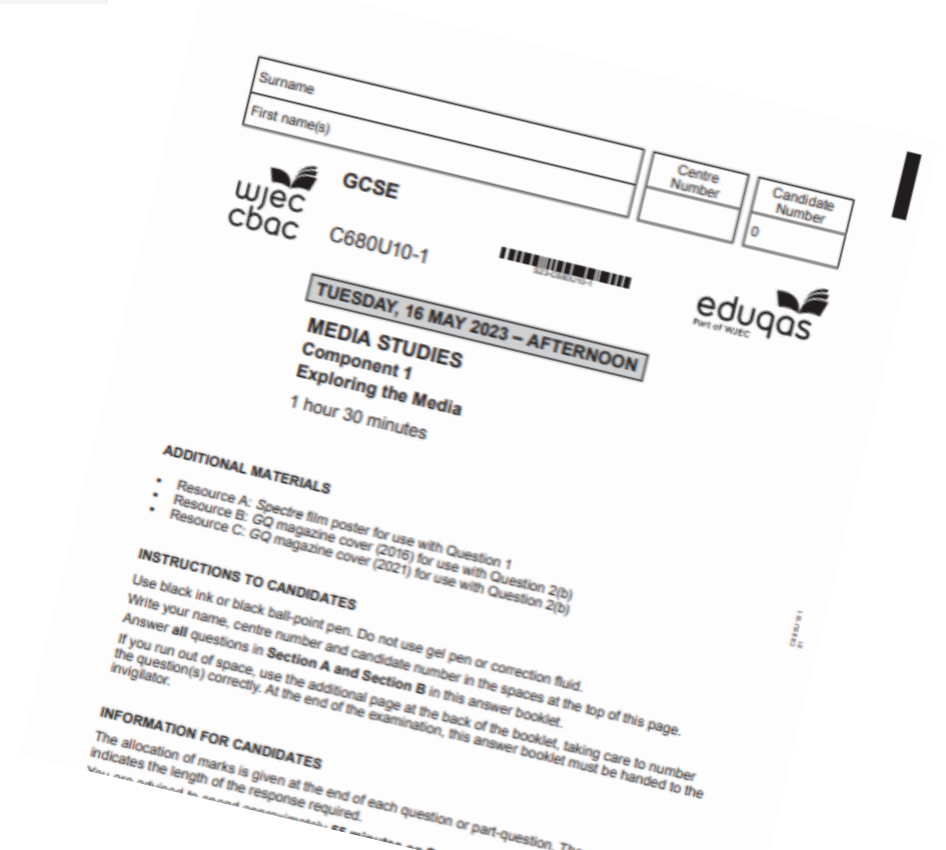

The screenshot shows the Eduqas Blended Learning interface. At the top left is the 'Blended Learning' logo. A navigation menu on the left lists: Dashboard, 1.0 Media language (3), 2.0 Audience (4), 3.0 Representation (4), 4.0 Industry (4), and 5.0 Contexts (3). The main content area has a green header with a video icon and the title 'Taylor Swift: Online media'. In the top right corner, it says 'GCSE Media Studies'. Below the header is a blue banner with speech bubble icons and the text 'Media language'. A white box below the banner contains the text 'You haven't started this lesson yet.' and a red 'Begin' button. At the bottom left, there is a copyright notice: 'Copyright WJEC CBAC 2020'. At the bottom right, there is a partial image of a person's face.

Past Papers

- On the One Drive, there is a folder where I have collated all the past papers for Media Studies.
- There are also the mark schemes in there
- Students can use these to practice questions, and study the mark schemes to know what to accomplish in each lesson

The screenshot shows a OneDrive interface with a sidebar on the left and a main file list on the right. The sidebar includes options like 'Add new', 'Home', 'My files', 'Shared', 'Favorites', 'Recycle bin', 'Browse files by', 'People', 'Meetings', 'Media', and 'Quick access'. The main area shows a folder named 'Media Studies - Students' containing a list of files with columns for Name, Modified, Modified By, File size, and Sharing. The files listed include 'Past Questions - Music.docx', '2023 Comp 1 Paper.pdf', '2023 Comp 2 Mark Scheme.pdf', '2023 Comp 2 Paper.pdf', '2023 Luther Clip.mp4.url', '2021 Comp 1 Resources.pdf', '2022 Comp 2 Mark Scheme.pdf', and '2023 Comp 2 Paper.pdf'.

Flash Cards

- Use flash cards to help with key terms or key information needed for the set texts
- Here is an example of some made by a Year 11

Age = 166 - ^{purpose = wide variety, action to cars & fashions.} ^{purpose = sell tickets, promote Bond as} ^{purpose = sell tickets, promote Bond as} ^{purpose = sell tickets, promote Bond as}
largest and armed with a gun/suit. ^{being the} ^{being the} ^{being the} ^{being the}
The Bond is the main importance with typical Bond features (suave, action, danger), which would attract the Bond fandom with what they want to see. ^{being the} ^{being the} ^{being the} ^{being the}
The explosion and action occurring in the background would further attract Bond fandom with excitable actions and habits, appealing to people who are into the Bond franchise and like seeing and experiencing maximising sales.

THIS GIRL CAN - context

- 13 million women in the UK say they want to exercise but don't, largely because they fear of being judged. Campaign tackles this by including her with no care of appearance in her own world, signifying she doesn't care about what others think, only about herself

- Campaign launched during the 4th wave of feminism focusing on empowering women. Men are much more expected to do sports. Men are much more

Official revision book

- There is a revision book published by Illuminate Publishing. There is some useful info in there, however set texts change so often in media, it is not always up to date. It is fairly expensive too. If students are working hard in lesson, their books will become their revision guides and will include all the info they need on the set texts.
