

SOCIOLOGY

Qualification: A-Level

Overview of subject:

Ever wondered how we developed into the society we are today?
How the way you see yourself determines the way people identify you?
Whether men or women are likely to commit a crime?
Sociology will help you to make sense of the society we live in and understand the cultural and identity issues which affect us all.

Topics studied in the syllabus include:

- Education
- Methods in context
- Research methods
- Families and Households
- Crime and Deviance
- Beliefs in Society

The course might be of interest to:

Those who enjoy the Humanities subjects at GCSE and want to further develop their skills including the use of evidence to support arguments, how to investigate facts , and critical thinking.

Potential future pathways:

Studying sociology at university can give you a whole host of exciting career options, including ; Social work, Advertising, Policing , Marketing , Journalism, Law, Teaching and Human Resources.
